

The Supreme Court Review

"Judges as persons, or courts as institutions, are entitled to no greater immunity from criticism than other persons or institutions . . . [J]udges must be kept mindful of their limitations and of their ultimate public responsibility by a vigorous stream of criticism expressed with candor however blunt."
—Felix Frankfurter

"Some of the best researched and most thoughtful criticisms of recent decisions by the U.S. Supreme Court."—Ethics

Founded in 1960, **The Supreme Court Review** provides critical surveys of the Court's most significant decisions. **SCR** keeps you at the forefront of the origins, reforms, and interpretations of American law while allowing you to consider the social impact of legal institutions and judicial opinion. Contributors to **SCR** include distinguished legal scholars, lawyers, judges, historians, political scientists, economists, and journalists.

2001 volume contents include:

Regulating Risks after ATA, **Cass R. Sunstein**

Graduated Application of Constitutional Protections for Aliens: The Real Meaning of *Zadvydas v. Davis*, **David A. Martin**

Privacy and Speech, **Paul Gewirtz**

Chevron's Non-Delegation Doctrine, **David J. Barron** and **Elena Kagan**

The Dilemma of Ignorance: *PGA Tour, Inc. v. Casey Martin*, **Frederick Schauer**

Cook v. Gralike: Easy Cases and Structural Reasoning, **Vicki C. Jackson**

International Shoe and the Legacy of Legal Realism, **George Rutherglen**

The Legal Foundations of Domestic Anticommunism: The Background of *Dennis v. United States*, **William M. Wiecek**

0-226-36250-7 496 p. Cloth \$54.00 April 2002

A Journal of Investigation in Library and Information Studies

Since it began publishing in 1931, *The Library Quarterly* has maintained its commitment to informed research in all areas of librarianship—historical, sociological, statistical, bibliographical, managerial, and educational. Combining traditional patterns of investigation with newer, interdisciplinary approaches, the *LQ* seeks to interpret relevant issues and current research for the librarian, educator, administrator, and others involved with the collection and history of books. Sections include:

- Library Automation
- Collection Development and Management
- Research Methods
- Critical Reviews of Important New Books

A Strike like No Other Strike

*Law and Resistance during the Pittston Coal Strike
of 1989-1990*

Richard A. Brisbin, Jr.

"This book tells the story of a very important but little known recent episode in the history of labor and its unfortunate fate at the hands of corporate power. Brisbin presents a powerful but balanced interpretive account informed by cutting edge theory and compelling judgment. I know of no other work that better develops theoretically and illustrates empirically the complex, multi-dimensional workings of law as does Brisbin's study of the United Mine Workers' tragic battle with Pittston."—Michael McCann, University of Washington

\$44.95 hardcover

The Communitarian Persuasion

Philip Selznick

"This is an important and timely book, written in a firm and clear and compelling voice."
—Amitai Etzioni, George Washington University

"No one before has done so effective a job of presenting the distinctive features of the communitarian social philosophy. Not only does Selznick show how the communitarian 'persuasion' differs from those of liberals, conservatives, libertarians, and socialists, but he also makes the case that it has a coherence and consistency of its own."—Wilfred M. McClay, University of Tennessee at Chattanooga

SIGNS

Journal of Women in Culture and Society

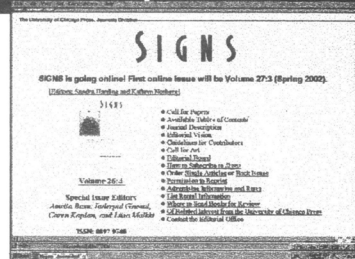

SIGNS

Published online with
volume 27:3 (Spring 2002) at
www.journals.uchicago.edu/Signs

Edited by Sandra Harding and
Kathryn Norberg, UCLA

The leading international journal in women's studies, *Signs* has been publishing articles from a wide range of disciplines in a variety of voices for nearly three decades. Now, under its new editorship, *Signs* seeks to renew debate and discussion with more groundbreaking, provocative articles while staying true to its prestigious reputation. In addition to major essays on gender, race, culture, class, nation, and sexuality, *Signs* brings to its readers in-depth book reviews, special issues and sections, and "U.S. and International Notes" to provide a forum for lively debate.

In addition to its diverse inquiry, *Signs* provides:

- **Innovative Perspectives**
Signs encourages new methods of scholarship, analysis, and interpretation—articles that contest and reconfigure such founding terms as *woman*, *culture*, *feminist*, *race*, and *nation*.
- **Distinctive Attractions**
In addition to major articles, *Signs* publishes in-depth book reviews, review essays, fora, and special reports to stimulate analysis and cogent debate.
- **Excellent Value**
Your subscription includes BOTH paper AND electronic editions for easy and convenient access to ongoing debate in your field.

University of Maryland*

*"Beyond Privatization: Microeconomic and Legal Reform
in Russia"*

Susan Rose-Ackerman, Yale Law School, and **Jeff Bowen**

*"Partisan Politics and Executive Accountability in
Argentina: A Comparative Analysis"*

Supreme Court Economic Review

is a unique interdisciplinary series that applies economic and legal scholarship to the work of the Supreme Court of the United States. Contributors provide an economic analysis of the events that generated the Court's cases, its functioning as an organization, the reasoning the Court employs in reaching its decisions, and the impact these verdicts have on society. Hoping to stimulate interest in the economic dimension of the Supreme Court and to explore solutions to the complex problems it addresses, *SCER* delves far into truly merging law and economics. Its focus on the Supreme Court makes *SCER* an outlet for law and economics analysis that is not available elsewhere.

ISBN 0-226-99962-9 \$45.00 Cloth 350 p. November 2002

PHILOSOPHY OF SCIENCE

The official journal
of the **Philosophy
of Science
Association**

Editor-in-Chief

Noretta Koertge
Indiana University

Associate Editors

W. Michael Dickson
Michael Friedman
Elisabeth A. Lloyd

Published quarterly, plus supplemental volume of the Proceedings of the Biennial Meeting of the Philosophy of Science Association.

Purpose and scope

Founded in 1934, *Philosophy of Science* has become the authoritative publication concerned with philosophical inquiry into the theory and practice of natural and social science. Adhering to the strictest standards in its selection of essays, discussion articles and book reviews, the *Journal* brings together the best scholarship on the methodological, ontological, epistemological, anthropological, and ethical premises and implications of the various scientific disciplines. In addition to new developments in traditional areas, *Philosophy of Science* presents ground-breaking work on conceptual issues that arise in new areas of scientific inquiry, such as bioinformatics, cognitive ethology, and neuroscience, as well as discussions of policy issues connected with the changing role of science in our society.

Intended Audience

Philosophy of Science is not just for philosophers! It will be of interest to natural scientists searching for new perspectives on their fields, epistemologists, and cognitive scientists who study the organization of knowledge, and social scientists and humanists who approach science as a cultural phenomenon.

*Membership in the Philosophy of Science Association includes the journal **Philosophy of Science** at no additional charge. Individual subscriptions to the journal and membership in the PSA are concurrent.*

Year 2001 PSA membership dues/subscription rates: Institutions-A (Australia, Canada, Hong Kong, Japan, New Zealand, Western Europe, and U.S.) \$102.00; Institutions-B (all other countries) \$51.00. Members (income less than \$40,000) \$57.00; Members (income \$40,000-\$49,999) \$67.00; Members (income \$50,000-\$59,999) \$77.00; Members (income more than \$60,000) \$87.00; Members-B (all other countries) \$25.00; Student members (with copy of valid ID) \$25.00. Canadians, please add 7% GST plus postage. Institutions outside USA, please add \$6 postage. MasterCard and Visa orders accepted (please include account number, expiration date, signature, and phone number); credit card orders may be sent via fax to (773) 753-0811 or (877) 705-1879. Economic Development

and Cultural Change

Economic Development
and Cultural Change

Electronic edition
now available!
D. Gale Johnson,
Editor

Pioneering Area Studies

In 1952, *Economic Development and Cultural Change* pioneered the study of noneconomic variables in the development process. In today's search for new theoretical approaches that integrate concepts of social change with economic theories, *EDCC* examines the economic and social forces that affect development and the impact of development on culture.

This important resource for professionals interested in development issues continues its long-established tradition of excellence. The same high standards of peer review, copy-editing, and quality production for which the paper edition is known will continue for the electronic edition, which features

- Comprehensive browsing and search capabilities
- Convenient HTML, PDF, or Postscript formats
- Easy on-screen navigation with extensive hyperlinks within an article, across issues of *EDCC*, and to outside sources on the Web

Access to the electronic edition is included with your subscription to the paper edition at no extra cost.

Published Quarterly ISSN: 0013-0079

4/02

Consistently ranked among the top tier publications
in industrial relations and labor

Edited by Edward P. Lazear

Published quarterly by The University of Chicago Press

**In association with the Economics Research
Center/NORC**

Founded in 1983, the *Journal of Labor Economics* is consistently ranked among the top tier journals in industrial relations and labor (source: *SSCI Journal Citation Reports*). Leading-edge scholars and researchers review all papers published in *JOLE*.

JOLE publishes both theoretical and empirical research relating to U.S. and international data. Such information examines issues affecting the economy as well as social and private behavior.

Contributors to *JOLE* investigate various aspects of labor economics, including supply and demand of labor services, personnel economics, distribution of income, unions and collective bargaining, and labor markets and demographics.

The *Journal of Labor Economics* serves as an outlet where labor economists from academe, business, and government share data and techniques of analysis. A personal subscription to *JOLE* will help you identify new theories and methods that will enhance your own research.

Individual subscribers are automatically enrolled as members of the *SOLE*, benefiting from a diverse network of scholars, researchers, and professionals who share their professional interests.

Regular one-year subscription rates/membership dues: Individual \$50.00; Student (attach copy of valid ID) \$37.00; Institution \$181.00. **Outside USA**, please add \$5.00 for postage. **Canadian residents**, please also add 7% GST. Visa and MasterCard payments accepted. *Credit card customers may fax their orders to (773) 753-0811.* To order send check or credit card information (acct. #, exp. date, phone number, and signature) to:
