

CONTRIBUTORS TO THIS ISSUE

Philip D. Curtin is Associate Professor of History at the University of Wisconsin, a member of the Advisory Editorial Board of the *Journal of African History*, and the author of *The Two Jamaicas*.

Joseph Frank, Associate Professor of English at the University of Rochester, is the author of *The Levellers* and *The Beginnings of the English Newspaper, 1620-1660*.

Harvey Glickman is Assistant Professor of Political Science at Haverford College and Book Editor of *Africa Report*. He is the author, with H. H. Wilson of Princeton University, of *The Problem of Internal Security in Great Britain*.

William Haller, Emeritus Professor of English (Barnard College, Columbia University) now of the Folger Shakespeare Library, is the author of *The Rise of Puritanism* and *Liberty and Reformation in the Puritan Revolution*.

J. H. Hexter, Professor of History at Washington University, is the author of *The Reign of King Pym* and *More's Utopia, the Biography of an Idea*.

C. Warren Hollister is Assistant Professor of History at the University of California, Santa Barbara. He has recently published articles on scutage rates in eleventh- and twelfth-century England and on the genesis of English feudalism.

Maurice D. Lee, Jr., Associate Professor of History at the University of Illinois, is the author of *James Stewart, Earl of Moray; a Political Study of the Reformation* and *John Maitland of Thirlestane and the Foundation of the Stewart Despotism in Scotland*.

Jacob M. Price, Assistant Professor of History at the University of Michigan, has written articles on colonial trade and is the author of *The Tobacco Adventure to Russia* published in 1961 by the American Philosophical Society.

It is expected that among the items to appear in forthcoming issues of the *Journal of British Studies* will be the following articles:

Donald Grove Barnes – Henry Pelham and the Duke of Newcastle

Donald C. Bryant – Edmund Burke: a Generation of Scholarship and Discovery

John Clive – Victorian Morality

Thomas Copeland – The Reputation of Edmund Burke

Godfrey Davies and P. H. Hardacre – The Restoration of the Scottish Episcopacy

L. D. Epstein – British Class Consciousness and the Labour Party

Michael Kraus – Across the Western Sea

A. R. M. Lower – The Second Hundred Years' War

Richard W. Lyman – James Ramsay MacDonald and the Leadership of the Labour Party, 1918-1922

David Owen – The City Parochial Charities: The 'Dead Hand' in Late Victorian London

Sylvia Thrupp – Some New Work on Society and Economy: Medieval England

Robert Walcott – The Idea of Party in the Writing of Later Stuart History

William B. Willcox – Too Many Cooks: British Planning before Saratoga

Recent Yale Books in British Studies

David Underdown

Royalist Conspiracy in England 1649-1660

"Straightforward, scholarly, and continuously interesting . . . Underdown has conducted his complex investigations so thoroughly and written of them so lucidly that it is hard to see how this book could be bettered. As a general survey it illuminates a shadowy corner of the seventeenth century and as a work of reference it will long remain invaluable to any student of the period."

—C. V. Wedgwood, *American Historical Review*.

Dora Mae Clark

The Rise of the British Treasury

Colonial Administration in the Eighteenth Century

During the eighteenth century, because of the increased cost of colonial administration and the growing importance of finance in relations between England and her colonies, the British Treasury became the most powerful of all the departments under the Crown. Basing her account very largely on original sources, the author shows how the Treasury acquired its great power and how it contributed to the loss of the colonies.

David Roberts

Victorian Origins of the British Welfare State

"A vivid description of the remarkable men who served as Her Majesty's inspectors, an enlightening analysis of the quarrel between the central administration and the proponents of local control, a concrete account of the daily work of the boards, and a persuasive sketch of the way the administrators and their opponents thought. This is a fine piece of administrative history."

—Robert Lekachman, *Political Science Quarterly*.

MEMOIRS OF JAMES II

His Campaigns as Duke of York: 1652-1660

Translated by A. Lytton Sells from the Bouillon Manuscript, edited and collated with the Clarke edition of 1816. Introduction by Sir Arthur Bryant.

One of the most important literary-historical finds of the twentieth century, this authentic version of the long-missing memoirs of King James II of England was discovered accidentally in 1954. It makes available for the first time hitherto unpublished materials on the Stuart and Restoration periods. The introduction presents an illuminating life of King James, and the translator has added a commentary on the manuscript, its history and significance. *Illustrated.* \$6.95. Price before publication \$6.25.

FOUR STUDIES OF WAR AND PEACE IN THIS CENTURY

by *W. K. Hancock*
editor of the official British War Histories

This is a short book. It is clear, well-written and not without humor. It discusses the prospects of human survival in the light of a past which has much to teach.

Sir Keith Hancock has studied war and peace in this century in order to put the present into perspective; to make it clear which alternatives are now ours and which are not. He shows that British Commonwealth and League of Nations experiences have much to say to those who would save the U.N.; that the lessons of the Versailles Treaty can be applied at the cold war conference tables; that the study of Gandhian non-violence reveals definite limitations in the use of this technique. The problems of little wars, recognition of Red China and cold war economy, are much more clearly understood when the past is brought to bear.

The facts of war are unappealing. So are the facts of peace in a time of cold war. But, Sir Keith believes that unless we see these facts as they are, we can ride unwittingly into war. His book does much to end our costly confusion. *At your booksellers.* \$3.75
