On the hamiltonian product of graphs: Corrigendum

V. Krishnamoorthy

The author has noticed two small errors in his paper [1]: In Figure 1 on p. 290, the vertices labelled \( kn, kn + 1, kn + 2 \) should be labelled \( kn - 1, kn, kn + 1 \), respectively. In the 4th line on p. 291, "at a distance greater than \( 2n - 1 \)" should read "at a distance greater than \( 2n - 2 \)."
