THE JOURNAL OF SYMBOLIC LOGIC is published quarterly, in the months of March, June, September, and December. The JOURNAL is the official organ of the Association for Symbolic Logic, Inc., an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for students are \$9.00. Dues for other individual members are \$18.00 per year. Dues include subscription to the current volume of the JOURNAL. For their personal use, members may purchase back volumes at 25% discount.

Institutional membership in the Association is available to any academic institution or department. Annual dues are \$120.00. Membership privileges include choices of current subscriptions, of back volumes,
