The Society for the Promotion of Roman Studies.

50, BEDFORD SQUARE, LONDON, W.C. 1

President: DR. H. IDRIS BELL, C.B., O.B.E., F.B.A.

THE subjects to promote the study of which the Society was formed are the history, archæology and art of Rome, Italy and the Roman Empire in general down to about 700 A.D. In particular, so far as its resources permit, and so far as is possible without prejudice to the wider objects with which it is concerned, the Society endeavours to encourage the study of Britain under Roman occupation by devoting space in its *Journal* to articles on Romano-British history and archæology.

In connexion with the Society for the Promotion of Hellenic Studies the Society maintains a joint library of works on classical antiquity, and a collection of lantern-slides and photographs. Members are entitled to borrow books and slides, and these can be sent to them by post. Communications about books and slides should be addressed to the Librarian at 50 Bedford Square.

Afternoon meetings for the reading and discussion of papers are held at Burlington House, Piccadilly, W.1, and one evening meeting is arranged for the discussion of a subject useful to teachers of Roman history. Numerous meetings are also held in University and other towns. Notices of all meetings are sent to members.

The Journal of Roman Studies, which is open to the contributions of both British and foreign scholars, is published by the Society in half-yearly parts, and is sent post free to all members.

The Annual Subscription for membership of the Society is one guinea. The composition fee for life membership is ten guineas for persons over fifty years of age, and fifteen guineas for others. Student Associates are admitted at the reduced subscription of 10s. 6d.

Persons desirous of joining the Society are asked to communicate with the Secretary at the Haverfield Library, Ashmolean Museum, Oxford.
