The (Co)Author(s) hereby agree to be bound by the following terms and conditions:

1 ASSIGNMENT

- 1.1 The term “**Contribution**” means the article written by the (Co)Author(s) as identified on page one of this CAF and includes, without exception, all the following versions of the article:
 - 1.1.1 **Submitted Manuscript Under Review (“SMUR”)**: any version of the Contribution that is under formal review for inclusion in the Journal.
 - 1.1.2 **Accepted Manuscript (“AM”)**: the version of the Contribution that has been accepted for publication. This version may include revisions resulting from peer review but may be subject to further editorial input by Cambridge.
 - 1.1.3 **Version of Record (“VoR”)**: The version of the Contribution that is formally published by Cambridge. This includes any ‘FirstView article’ that is formally identified as being published before the compilation of a volume or issue as long as it is citable via a permanent identifying Digital Object Identifier (“DOI”). This does not include any ‘early release article’ that has not yet been fixed by processes that are still to be applied, such as copy-editing, proof corrections, layout, and typesetting. The VoR includes any corrected or enhanced VoR.
- 1.2 The term “**Supplementary Material**” means any additional written or illustrative materials submitted or uploaded to the Journal by the (Co)Author(s) for publication in connection with the Contribution. Supplementary Material does not form part of the Contribution and will be made available in association with the Contribution in online format only. Supplementary Material may be original content created by the (Co)Author(s) (“**Original SM**”) or it may be third-party material sourced by the (Co)Author(s) (“**Third-party SM**”).
- 1.3 In consideration for publication of the Contribution and, subject to the exceptions listed in Clauses 3.2 and 4.1 below, the following is hereby assigned to the Proprietor by the (Co)Author(s):
 - 1.3.1 the full copyright in the Contribution or any part of it in all forms and media and in all languages throughout the world, (which, for the avoidance of doubt, includes the right to publish, reproduce, distribute, and sell the Contribution or any part thereof in any form, whether print, digital or electronic, whether now known or hereinafter invented; and to grant sublicenses of all translation and subsidiary rights); and
 - 1.3.2 all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Contribution.
- 1.4 The assignment of copyright described in Clause 1.3 above shall, throughout this CAF, be referred to as the “**Assignment**”.
- 1.5 The (Co)Author(s) hereby grant to the Proprietor a non-exclusive licence to:
 - 1.5.1 publish, reproduce, distribute, and sell the Original SM or any part of it in all forms and media and in all languages throughout the world, whether print, digital / electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights; and
 - 1.5.2 exploit all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Original SM.

- 1.7 The Assignment and rights granted under Clause 1.5 above shall commence upon Cambridge’s formal acceptance to publish the Contribution and shall endure for the legal term of copyright in the Contribution.
- 1.8 For the avoidance of doubt, the (Co)Author(s) acknowledge and agree that the rights assigned / granted to the Proprietor in Clause 1.3 and 1.5 above will subsequently be licensed to Cambridge as a licensee and the publisher of the Journal, as noted at the head of this CAF.

 - 2.1.4 the Contribution and any Supplementary Material contain nothing that breaches a duty of confidentiality or discloses any private or personal information of any person without that person’s written consent;

- 2.1.8 in the event that the Author or any CoAuthor has a COI to declare, he/she will do so in the COI section at the end of this CAF. In not declaring a COI, the (Co)Author(s) each assert that there are no conflicts of interest arising from his/her work in respect of the Contribution.

- 2.2 The (Co)Author(s) further confirm that for (i) any Third-party SM and (ii) any other third-party material (including but not limited to textual, illustrative, audio and video content) within the Contribution, licences to re-use said content throughout the world in all languages and in all forms and media have or will be obtained from the rights-holders; appropriate acknowledgement to the original source of all such materials has been made and, in the case of audio/video material, appropriate release forms have been obtained from the individual(s) whose likenesses are represented in the Contribution and/or Third-party SM, as applicable. Copies of all licences and/or release documentation will, on request, be forwarded to the Journal’s editor prior to publication of the Contribution.
