1 ASSIGNMENT

1.1 The term "**Contribution**" means the article written by the (Co)Author(s) as identified on page one of this CAF and includes, without exception, all the following versions of the article:

- 1.1.1 **Submitted Manuscript Under Review ("SMUR")**: any version of the Contribution that is under formal review for inclusion in the Journal.
- 1.1.2 **Accepted Manuscript ("AM")**: the version of the Contribution that has been accepted for publication. This version may include revisions resulting from peer review but may be subject to further editorial input by Cambridge.

The VoR includes any corrected or enhanced VoR.

1.2 The term "**Supplementary Material**" means any additional written or illustrative materials submitted or uploaded to the Journal by the (Co)Author(s) for publication in connection with the Contribution. Supplementary Material does not form part of the Contribution and will be made available in association with the Contribution in online format only. Supplementary Material may be original content created by the (Co)Author(s) ("**Original SM**") or it may be third-party material sourced by the (Co)Author(s) ("**Third-party SM**").

- 1.3 In consideration for publication of the Contribution and, subject to the exceptions listed in Clauses 4.2 and 6.1 below, the following is hereby assigned to the Proprietor by the (Co)Author(s):
- 1.3.1 the full copyright in the Contribution or any part of it in all forms and media and in all languages throughout the world, (which, for the avoidance of doubt, includes the right to publish, reproduce, distribute, and sell the Contribution or any part thereof in any form, whether print, digital or electronic, whether now known or hereinafter invented; and to grant sublicenses of all translation and subsidiary rights); and
 - 1.3.2 all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Contribution.
- 1.4 The assignment of copyright described in Clause 1.3 above shall, throughout this CAF, be referred to as the "**Assignment**".
- 1.5 The (Co)Author(s) hereby grant to the Proprietor a non-exclusive licence to:
- 1.5.1 publish, reproduce, distribute, and sell the Original SM or any part of it in all forms and media and in all languages throughout the world, whether print, digital / electronic, whether now known or hereinafter invented, and to grant sublicenses of all translation and subsidiary rights; and

1.7 The Assignment and rights granted under Clause 1.5 above shall commence upon Cambridge's formal acceptance to publish the Contribution and shall endure for the legal term of copyright in the Contribution.

1.8 For the avoidance of doubt, the (Co)Author(s) acknowledge and agree that the rights assigned / granted to the Proprietor in Clause 1.3 and 1.5 above will subsequently be licensed to Cambridge as the exclusive licensee and publisher of the Journal, as noted at the head of this CAF.
