Shakespeare, William. *Much adoe about Nothing*. London: Valentine Simmes for Andew Wise and William Aspley, 1600. Folger STC 22304

Much Ado About Nothing was first published in 1600 as a quarto (Q1) and then included in the 1623 First Folio (F1). There is little difference between the dialogue of the two texts, although Q1's stage directions and speech prefixes are often more confusing than those in F1.
