SworldCat[®] Discovery

Expand access to Cambridge University Press content with WorldCat Discovery

Maximize your content investments

WorldCat Discovery lets your users to discover and access Cambridge University content along with more than three billion electronic, digital, and physical resources in libraries around the

world through a single search of WorldCat and a central index of more than 3,100 e-content collections.

Thanks to the Cambridge University Press/OCLC partnership, your users can search authoritative Cambridge University Press databases through WorldCat Discovery. Our partnership increases your users' visibility into your subscribed Cambridge University Press databases, and it enables links to available full text through either the WorldCat knowledge base or a knowledge base already in place at your library.

Easily select your Cambridge University Press databases

Selecting content in WorldCat Discovery is easy and intuitive. Follow these simple steps to set up access to your Cambridge University Press subscription content through WorldCat Discovery. For more detailed instructions and screen shots, see the following section.

- Review your searchable databases. Go to the <u>OCLC Service Configuration</u> site at oc.lc/config. Sign in, select *Metasearch Content*, and choose *Default Databases and Licensed Content*.
- 2. Add the Cambridge University Press databases to which your library subscribes. Click *Central Index Databases*, and search for *Cambridge*. Select the databases you subscribe to and click *Done*. Click *Save Changes* at the bottom of the page.

Detailed guidance for selecting Cambridge University Press databases for searching in WorldCat Discovery

Follow the steps below to set up access to your Cambridge University Press subscription content through WorldCat Discovery. Because OCLC enhances WorldCat Discovery every month, the screen shots below may not match your view exactly. For the most up-to-date information, visit **oc.lc/database-config**.

1. Sign in to <u>OCLC Service Configuration</u> site (**oc.lc/config**) by clicking *Use Your WorldCat Account* if you want to sign in with your WorldCat Account, or clicking *Use Your OCLC Services Account* if you want to sign in with your OCLC Services Account (WorldShare users).

- a. If this is your first time signing in using this method, you will be prompted to search for your institution. Enter your institution's OCLC symbol, name, or zip code.
- b. Click Continue or press <Enter>.
- 2. Enter your username and password.
- 3. Click Sign In or press <Enter>.
