MY PERFECT BEDROOM AND MY REAL BEDROOM

My perfect bedroom is big. The walls are green and the floor is brown. The bed is very big – it's 2 metres long and 1.6 metres wide (I like big beds!). It's very comfortable, too, and it's the colour that my favourite football team plays in. So, it's black and white because my favourite team is Juventus. The desk is near the window, with a comfortable chair for me to sit, so I work on my fantastic new computer.

My real bedroom isn't big. The floor is brown, but the walls are blue. The bed is OK, but it isn't very big and it isn't very comfortable! The bed is black and white – yay! My desk is near the door and the chair is small, but it's OK. And I like my computer. It's old, but it's really good!

2 **ANALYSE** Complete the sentences with *and* or *but*.

- 0 The walls are red and the floor is black.
- 1 The bed isn't very big, _____ it's comfortable.
- 2 The bed is comfortable _____ it's in Real Madrid colours, too.
