MINDSET for IELTS – Level 1 Student's Book

UNIT 08: NATURAL WORLD

LISTENING

IN THIS UNIT YOU WILL LEARN HOW TO

- listen to people talking about a topic related to work or study
- complete notes in a task
- use headings in the notes to guide you through what the speaker is saying
- use the speaker's 'signposting' words to help you follow notes.

LEAD-IN

01 Match photographs A-D with the names of the animals.

Arabian leopard blue ring octopus mountain gorilla Pere David's deer

A

B

C

D

02 Listen to the four short extracts. Which animal in exercise 1 is each speaker describing?

1 _____ 3 _____

2 _____ 4 _____

NOTE COMPLETION

03 In this type of task you complete a set of notes by writing up to three words, or two words and/or a number, in each gap. The instructions tell you how many words you are allowed to write.

You must complete the notes with the words you hear on the recording.

USING HEADINGS TO HELP YOU

03 Match the headings 1-5 with the questions a-e.

1 Country of origin	a What does it eat?
2 Dangers	b Where does it come from?
3 Diet	c Where does it live?
4 Habitat	d What does it look like?
5 Physical description	e What threats does it face?

04 Look at the notes about the animals. Match the headings 1-5 in exercise 3 with the notes below. There is an example to help you.

a People are using its land for cows and sheep	_____
b Mainly eats grass	_____
c Has long arms	_____
d Lives on wet lands	_____
e Comes from Africa	_____

'SIGNPOSTING' WORDS

05 Look at the signposting phrases 1-6 below. They signal different kinds of information. Match them with the meanings a-e. One meaning can be used twice.

1 So, now I'm going to talk a little about ...	a The speaker is going to talk about a new topic and this will be the last thing he/she talks about (might be the last heading on the Notes).
2 Let's have a look at two reasons why ...	b The speaker is going to talk about a new topic - which might be a new heading on the Notes.
3 So, I'll move on to talk about ...	c The speaker is going to say the same thing using different words.
4 Firstly ... Secondly	d The speaker is going to give two reasons - listen carefully for both.
5 I'd like to conclude by talking about ...	e Here is the first (reason) ... and here is the second (reason)
6 In other words ...	

TIP 03 The notes often have headings to guide you. They can help you follow what the speaker(s) are saying.

TIP 04 Notes often do not follow grammatical rules or layout. For example, there may be auxiliary verbs or articles missing. The notes may also be lists with bullet points.

TIP 05 'Signposting' words are words and phrases that speakers use to help their listeners follow their talk.
