

11A *How to get there*

Activity 1

- A** A: Which places do you want to visit? Why?
B: I want to visit Coney Island. I like to ride on roller coasters and Ferris wheels.
A: That sounds fun. I want to visit the Museum of Modern Art. I enjoy looking at art.

Activity 2

- B** A: Let's start. Excuse me. How can I get to Federal Bank?
B: Go up Second Avenue to Main Street. Turn right. Then go past the flower shop, and it's on the corner of Main Street and Third Avenue.
A: Thank you.

Activity 2

- D** A: Is it easier to give or follow directions?
B: I think it's easier to give directions because you know where the place is.
C: I agree. It's a lot harder to follow directions when you don't have a map.

A: Have you ever gotten lost? What happened?
B: I often get lost even when I have a map. Once I drove around for 30 minutes before I found the place I was looking for.
C: I bet that was frustrating. One time, I couldn't find the shop I was looking for, so I asked a man on the street for directions. He actually showed me the way.

A: What do you do when you get lost? Do you ask for directions?
B: When I get lost, I look at a map. If that doesn't help, then I ask for directions. What about you?
C: Whenever I get lost, I always ask someone for directions.

11B Plenty to do

Activity 1

- A** A: Which city do you want to visit?
B: I want to visit London because I'd like to see Buckingham Palace.
A: I want to visit Sydney because I've heard that the harbor is really beautiful.

Activity 1

- D** A: What other cities in the world do you want to visit someday?
B: Someday, I want to visit New York City. It's an exciting city with many famous places. How about you?
C: I want to visit Paris. I've studied French, and I'm interested in French culture.
A: What's your favorite city in your own country? Why?
B: My favorite city in Japan is Hiroshima. It's not a really large city like Tokyo, so it's more relaxed. Hiroshima is by the sea and has many rivers. It's also surrounded by mountains, so it's a beautiful city.
C: My favorite city is Seoul. It's the biggest city in Korea, so the shopping is great. You can get anything you want in Seoul.
A: What do visitors like about your city or country? What don't they like?
B: Visitors to Mexico City like the historical sites and the food. They don't like the traffic jams and noise.
C: Visitors to Japan like Kyoto. In Kyoto, they can see many old buildings and traditional Japanese culture. I don't think they like the crowded trains in bigger cities like Osaka and Tokyo.

Activity 2

- A** A: Imagine a friend is visiting your city. What places can you recommend?
B: The National Museum and Central Zoo are great. The outdoor market is fun, too.
A: I agree. How about the city park? Should we go there?
B: The city park is nice, but I'd recommend going to the Botanical Gardens instead.

Activity 2

- B** A: Let's plan a fun day out. We should go to the art gallery first. They open at 9:00. We can walk there.
B: Let's eat something first. How about Paris Café for breakfast?
A: Why don't we go there later for coffee?

Activity 2

- C** A: We're going to explain our plans for the day. First, we're going to walk to Central Station. After that, we're going to take a bus to the art gallery.
B: What time does it open?
C: We think it opens at 9:00. After a few hours in the art gallery, we'll walk over to Paris Café for coffee.
D: Then what will you do?
