8. especially / specially

-  **3** Listen to the story.

She speaks slowly and likes special, expensive chocolates. As she steps outside, her long skirt sweeps over her snow-white slippers. She's small and slim and looks soft and sweet, but she's strong and very smart.

"You have stolen my heart," I once said stupidly. At first she just stared at me. Then she smiled her special smile and said, "Yes, I see."

- 4** Practice reading the story aloud.
