Clinical Utility of Dual Anterior Nares and Oropharynx MRSA Screening PCR for Patients with Suspected Pneumonia – ERRATUM

Michael A. Kessler, Sandip Biswas, Tsokyi Choera, Derrick J. Chen and Alexander J. Lepak

doi: [10.1017/ice.2021.463](https://doi.org/10.1017/ice.2021.463). Published online by Cambridge University Press 22 November 2021

In the above article¹, the title erroneously appeared as “Clinical utility of dual anterior nares and oropharynx MRSA screening polymerase chian reaction assay (PCR) for patients with suspected pneumonia”; the correct title reads “Clinical Utility of Dual Anterior Nares and Oropharynx MRSA Screening PCR for Patients with Suspected Pneumonia”. The publisher apologizes for this error.
